DONOR ACKNOWLEDGMENT: HUMAN PITUITARY-DERIVED GROWTH HORMONE

The undersigned acknowledges that, to the best of her knowledge, she has not received injections of the human pituitary-derived growth hormone (pit-hGH) between 1963 and 1985. The undersigned further states that she has not used this drug non-therapeutically, that is, during rigorous physical training

The donor has been made aware of the commercial sources of pit-hGH available between 1978 and 1985, which were Asellacrinn (Serono) and Cresorman (KabiVitrum). She has been made aware of Creutzfeldt-Jakob disease (CJD) which is associated with pit-hGH.
